## WARRANTY

MityLite warrants its Oslo chair frame to be free from defects in materials and workmanship under normal use, service, and handling for a period of three [3] years. MityLite warrants upholstery and frame finish for a period of one [1] year from the date of purchase.

### FRAME

Chair legs, seat & back frame made from solid European Beech wood. Mortise & Tenon joint construction with tongue & groove corner blocks on each leg glued and screwed with hardened steel lag screws.

### SEAT

FormFlex™ Suspension seat base is manufactured from .5 inch (12mm) plywood with flexible webbing cross-bands. Seat is fully upholstered and comes standard with a 2" (51mm) thick foam cushion.

### BACKREST

The chair backrest is upholstered and has .2" thick (50mm) padding.

### GLIDES

Polypropylene glides are nailed into the bottom of each leg and help prevent streaking or scratching floor surfaces.

### FRAME FINISH

The wood frame finish follows an extensive multi-step stain and lacquer process to ensure consistent color, sheen, and texture for a premium long-lasting and easily maintainable finish.

### PITCH

Oslo chairs have a dining pitch. Perfect for facilities looking to use this chair in a restaurant or dining setting.

### UPHOLSTERY

Oslo chairs come standard in several easy-to-clean vinyl upholstery options. COM and other fabric options also available for a more custom look. Oslo chairs require 1.0 yard of fabric.
