## WARRANTY

MityLite warrants its Zurich chair frame to be free from defects in materials and workmanship under normal use, service, and handling for a period of five [5] years. MityLite warrants upholstery and frame finish for a period of one [1] year from the date of purchase.

### FRAME

Frame has a wood appearance, but the chair's legs, crossbars and back frame are made from 18-gauge steel. Frame is welded for maximum strength.

### SEAT

Seat base is manufactured from .5 inch (12mm) plywood. Seat is fully upholstered and comes standard with a 2" (51mm) thick foam cushion.

### BACKREST

The chair backrest is fully upholstered and has .4" thick (10mm) padding. Backrest is curved for aesthetic appeal.

### GLIDES

Glides are made of nylon and help prevent streaking or scratching floor surfaces.

### FRAME FINISH

"Wood-grain" finishes utilize a proprietary powder coating process for maximum durability while maintaining the appearance of a natural wood.

### PITCH

Zurich chairs have a dining pitch. Perfect for facilities looking to use this chair in a restaurant or dining setting.

### UPHOLSTERY

The Zurich chair comes standard in several easy-to-clean vinyl options. COM and other fabric options also available to give the Zurich a unique look and feel. Zurich chairs require 1.25 yards of fabric.

### CROSSBARS

Chairs are reinforced with crossbars for additional strength and stability. Constructed of 18-gauge steel and welded to each leg.
