COLLECTION

SOLID WOOD SEATING

HENRY

The **Henry** collection represents the classic “Library” design. Details such as the elegant, slightly fanned back, with six slats, and decorative brackets on the edge of the seat give this chair an enduring design. Available with upholstered or solid wood seat.

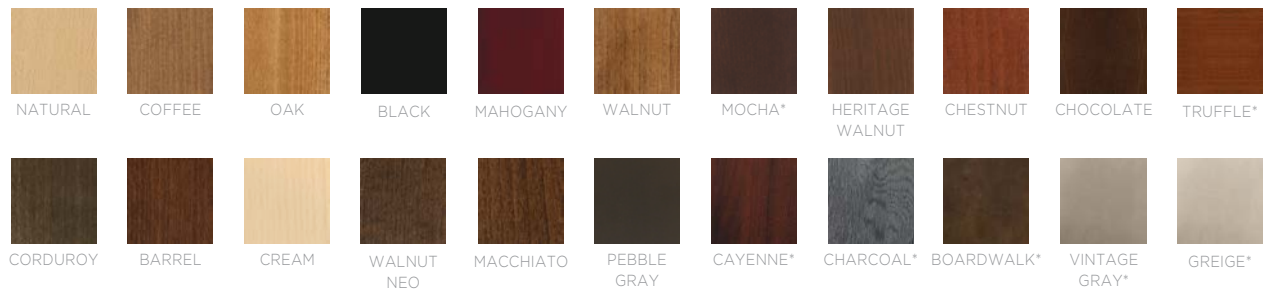

PRODUCT FEATURES

- 1** Strong, beautiful European beechwood frame
- 2** Sculpted wood seats for comfort
- 3** Standard and custom stain options available.
- 4** Six-slat back design, slightly fanned
- 5** Joinery is mortise and tenon
- 6** 2.5 lb. foam cushion seat
- 7** Decorative side brackets

STANDARD WOOD STAIN OPTIONS

A wide range of standard stain colors are available as well as custom color matching. (A surcharge will apply to custom colors)

*Matches MityLite buffet & dining table tops

SPECIFICATIONS

BACK STYLE	ARM OPTION	FINISH	FABRICS	FABRIC YARDAGE	STANDARD GLIDE
Fixed	n/a	European Beech Hardwood	Grades 1-4+, TB133, COM	.35	Nylon

Upholstered Seat Option Does Not Include Side Brackets

FRAME

100% solid European beech is a strong, bendable, and renewable hardwood. This attractive, light-colored wood accepts stain well.

FRAME CONSTRUCTION

Joints: Mortise and tenon. Glued with high solids glue and reinforced with 18 gauge nails, corner blocks and low root woodscrews. Decorative brackets also add reinforcement.

BACK

The curve and pitch in the back provide comfort and a modern look.

FRAME FINISH

The stain is hand wiped into the grain to ensure even color and maximum penetration into the wood. Two coats of catalyzed finish are sprayed over the stain with a sanding between. This catalyzed finish is very durable and resists cracking and chipping.

BRACKETS

Decorate brackets add to stylish frame design. On upholstered chairs and barstools only.

SEAT

Available in upholstered or solid wood. The wood seats are sculpted at the factory to ensure a comfortable sitting position. Standard barstool seat height is 30". Seat heights available ranging from 24" (61 cm) to 30" (76 cm).

GLIDES

7/8" Nylon glide. Other available options are small metal, standard metal, metal with nylon cap, and felt.

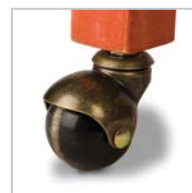

BARSTOOL KICKPLATE

Standard barstool kick plates are brass. Chrome or black kick plates are available upon request for no additional cost. These kick plates offer style while providing protection and durability..

OPTIONAL IN-LINE WHEELS

Our In-Line wheels are available in white or brown, and the housing is cut directly into the front legs of your chair. Professionally secured in our factory, the In-Line option is more subtle than the casters, while still allowing for easy movement.

HOODED BALL CASTER

The caster has a full 360° rotation, with a 2" sphere wheel complete with an antique brass hood. This hood is designed to not only be beautiful but to act as a guard as well. We recommend that the casters are fixed to front legs only to provide stability for your clients. Casters are professionally installed to ensure there is zero compromise to the integrity of our chairs. Available on chairs only.

C.O.M. UPHOLSTERY

Fabric amount is estimated using 54" (137cm) wide material. The actual amount required may vary depending on special pattern matching and the width of material. Specific yardages for orders can be provided upon request with model, quantity and fabric details. Customer is responsible for any additional customs/duties fees for fabrics shipping across the border.
