FRAME

Robust steel construction supports weight of 20 Elevare legs and provides a simple organized storage solution

FRAME FINISH

Black Sand powder-coat hides scuffs and scratches that come with heavy duty use

ASSEMBLY

Frame ships flat in a box. Simple construction allows for easy bolt together assembly of welded sub-components. Hardware and assembly instructions included

RECOMMENDED LOADING METHOD:

Folded leg base should be loaded sideways over both rungs with bottom feet facing the handle

HANDLES

Ergonomic design with comfort grips for easy maneuverability

CASTERS

Non-marring 2" x 6" heavy duty casters support up to 500 lb each. 2 fixed and 2 swivel locking casters provide ease of transport and stability while loading and unloading cart

LEG ALIGNMENT TOOL

Easy to use, this durable plastic tool slips over the bottom intersection of the Elevare leg and prevents the legs from moving. This allows for quick attachment of table tops. 1 leg alignment tool included with each cart

BUMPER

Cart is equipped with plastic and neoprene rubber bumpers to prevent wear and tear from daily use and help protect your investment

STORAGE HOOK

Double riveted, plated steel hook provides a single location for storing the leg alignment tool so it's ready when you need it

WARRANTY

MityLite, Inc. warrants its Elevare Leg-Only Carts to be free from defects in materials and workmanship under normal use, service, and handling for twelve (12) years from the date of purchase.
