CONSTRUCTION DETAILS				
LAMINATES	WOOD STAINS	VINYL EDGE COLORS	DROP LEAF	CUSTOM ORDERS
MityLite uses only high-pressure laminates designed to provide resistance to wear, heat, stains, and impact. See finishes section for our selection of laminates.	MityLite offers an assortment of polyurethane sealed wood stains, as well as customer stain or paint to match.	A wide variety of quality vinyl T-Mold edging is available for Vinyl Perimeter table tops.	To expand a square tabletop to round, consider the drop leaf tabletop as an option. Available on our Navan, Savannah & 1" thick Devon tabletop models.	Custom laminates, wood stains, and wood edge profiles may be available upon request. If you don't see what you're looking for in this catalog, give us a call—we're always happy to meet custom requests.
