FAUX WOOD SEATING  
**SIERRA**

The **Sierra** Family combines the lightweight strength of an aluminum frame with the warmth of a faux wood finish. The clean, progressive styling makes it a natural fit to update the look in many environments, while the plush comfort ensures guests always have the best experience. The Sierra stacks 4 chairs high.

## PRODUCT FEATURES

- 1 Durable, lightweight aluminum frame
- 2 Plush polyurethane 2.5-lbs foam-padded seat
- 3 1.8-lbs foam-padded back provides exquisite comfort
- 4 All welded construction, no loosening of joints
- 5 Nesting design makes storage and cleaning easier

## FINISH COLOR OPTIONS

\* This finish has a 6-week lead time. All other finishes shown above have a 14-week lead time.

## FABRIC OPTIONS

See [holsag.com/fabrics](https://holsag.com/fabrics) for selections.

CAPACITY	300 lbs	400 lbs

## C.O.M. UPHOLSTERY

The amount of fabric needed per chair is estimated using 54-inch (137 cm) wide material. The actual amount required may vary depending on special pattern matching and the width of material. Specific yardages for orders can be provided upon request along with the model, quantity, and fabric details. There is a \$50 flat charge for COM to cover Duty and Customs charges.

## HOODED BALL CASTER

Casters can be added to the front legs of arm chairs to provide better mobility as well as stability. The 2-inch sphere wheel and antique brass are designed to not only be beautiful but to act as a guard. The casters are professionally installed to ensure there is zero compromise to the integrity of our chairs.
