ADD-ONS

Custom Etching

Custom etching allows you to take one of our chairs and make it yours. Add elegance with your company's name or logo.

Casters

These casters are professionally installed and offer a full 360-degree rotation, with a 2-inch spherical wheel that is complete with an antique brass hood. We recommend that the casters are fixed to front legs only to provide stability for your clients.

In-Line Wheels

Our In-Line wheels are available in white or brown, and the housing is cut directly into the front legs of your chair.
