## ADD-ONS

### Custom Etching

Custom etching allows you to take one of our chairs and make it yours. Add elegance with your company's name or logo.

### In-Line Wheels

Our In-Line wheels are available in white or brown, and are professionally secured in our factory. This option is more subtle than the casters, while still allowing for easy movement.

### Casters

These casters are professionally installed and offer a full 360-degree rotation, with a 2-inch spherical wheel that is complete with an antique brass hood. We recommend that the casters are fixed to front legs only to provide stability for your clients.
